## Original Rotunda

To compliment Weathered, Flagstone or Old Valentia ranges, finest reproduction Weathered Riven with hand tooled edges. Award winning 'Touch of Midas' Chelsea Garden 1993 and Gold Medal Hillier Chelsea Garden 1999

### THE INDUSTRY FAVOURITE

Launched in 1991 the originator of a totally new concept in landscape design inspires the classical past, for the gardens of today. There are infinite design ideas from softening edges and bringing new life to the formal rectangular patio, to creating a secondary patio in a secluded or sunny part of the garden.

## Rotunda

Curved and serpent shaped pathways made easy  
Making ideal natural borders for fishponds, steps and copings

Patio Sealer is recommended, to protect against deterioration through damp and general weathering. It also enhances colour and texture of paving. Apply in dry conditions.

Curved and serpent shaped pathways made easy. Making ideal natural borders for fishponds, steps and copings.

Each size has a variety of beautiful riven natural stone textures, to achieve maximum effect. Never before has a paving system given so much flexibility, simplicity and freedom to design gardens to your own choice.
