Other designs in the product range can be incorporated into your design such as Rotunda, Octagonal or Cobbelstone quad sets, to form curved steps or to have as a feature or focal point in your patio.

All our paving is made here in our custom built manufacturing facility. We use aggregates sourced from local quarries and blended together with special dyes and cements to produce a long lasting product that has proven its beauty and charm over many years. It has become the number 1 choice of paving used by our paving contractors.

Let us organize your paving project using our network of professional designers and installers.
